› WAY FORWARD

IMPLEMENTING DEVELOPMENT STRATEGIES FOR ECONOMIC GROWTH IS CRUCIAL, HOWEVER ENSURING THE CONDITIONS FOR REAPING BENEFITS OF GROWTH FOR EVERYONE IS ESSENTIAL.

- › Streamline national SDG targets and indicators into development policies
- › Develop a financing strategy aligned with policy priorities
- › Strengthen the existing monitoring and evaluations framework
- › Develop a partnership plan to ensure the implementation of the SDG targets with the collaboration of the private sector, associations, civil society, academia, media and public.

In the **LONG TERM**, the primary conditions for **RESILIENT GROWTH CONDUCTIVE TO SUSTAINABLE DEVELOPMENT** will be ensured.

Strive for equitable, inclusive and sustainable development through the implementation of the first phase of “Vision 2050”.

Reduce the **negative impact of Covid-19 pandemic** and increase resilience to crisis.

Multi-stakeholder participation in the implementation of the **Sustainable Development Goals** will be ensured and social, economic and environmental policy coherence will be maintained.
